Start With Medicare Basics

Review the basics to make sure this plan is a good fit

Original Medicare is provided by the federal government and covers some of the costs of hospital stays (Part A) and doctor visits (Part B), but doesn't cover everything. It does not include prescription drug coverage (Part D). Although you are not required to enroll in Part D, there is a penalty of 1% of the average monthly premium for each month you delay enrollment. This must be paid monthly as long as you are enrolled in Part D. Depending on your needs, you may want to add on more coverage.

Medicare Made Clear™ brought to you by UnitedHealthcare®

This is a Medicare Advantage Part C Health Maintenance Organization — Point of Service (HMO-POS) plan

Your plan is a Health Maintenance Organization with a Point of Service option (HMO-POS) plan that includes the nation’s largest health care network¹. With this plan, you have access to a local network of doctors and hospitals, plus access to care across the country at in-network costs when you see doctors in the UnitedHealthcare Medicare National Network². This plan also gives you access to see dental providers inside and outside of the network. Check the Evidence of Coverage for information on which dental services the plan covers out-of-network.

Here’s how your HMO-POS plan works

- ✓ **You will need to select a primary care provider (PCP).**
This health plan requires you to select a PCP from the network in your plan’s service area. Your PCP can oversee and help manage your care.
- ✓ **You have coverage for emergency care.**
Emergency Services and Urgently Needed Services are covered no matter where you go.
- ✓ **There’s an out-of-pocket spending limit for in-network care.**
Once you reach that limit, the plan pays 100% of the future costs for network Medicare-covered services for the rest of the plan year.

Use network providers for coordinated care

The chart below shows what happens when you use network versus out-of-network resources with this plan.

	In-Network	Out-of-Network
Will the doctor or hospital accept my plan?	Yes	Providers have the choice to accept the plan.
Does this plan require a referral to see a Specialist or other providers?	No	No
What will I pay for covered services?	You pay your plan copay or coinsurance.*	You may pay a higher copay or coinsurance.

There’s a Medicare Part D Late Enrollment Penalty

Although you are not required to enroll in Part D, there is a penalty of 1% of the average monthly premium for each month you delay enrollment. This must be paid monthly as long as you are enrolled in Part D.

¹ Networks vary by market.

² Exclusions may apply.

* Plan copay or coinsurance amounts apply. You can find a complete listing of network providers and facilities within your plan on our website. Please refer to the Summary of Benefits and Benefit Highlights for more complete plan information.

Are you eligible for this plan?

You are eligible for a Medicare Advantage plan if:

- ✓ You are enrolled in Original Medicare Parts A and B AND ✓ Live in the plan's services area

Are there special eligibility requirements for this plan?

No, as long as you are enrolled in Original Medicare Parts A and B and continue to pay your Part B premium, you are eligible to enroll in this plan.

Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service Representative at the number listed on the back cover of this book.

Understanding the Benefits

- ✓ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor. Call us or go online to view a copy of the EOC. Our phone number and website are listed on the back cover of this book.
- ✓ Review the Provider Directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

Understanding Important Rules

- ✓ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ✓ Benefits, premiums and/or copays/coinsurance may change on January 1 of each year.
- ✓ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you may pay a higher copay for services received by non-contracted providers.

Medicare Advantage Plans (Part C) and Cost Plans

Medicare Health Maintenance Organization (HMO) — A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. In most HMOs, you can only get your care from doctors or hospitals in the plan's network (except in emergencies).

Medicare HMO Point-of-Service (HMO-POS) Plans — A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. HMO-POS plans may allow you to get some services out of network for a higher copayment or coinsurance.

Medicare Preferred Provider Organization (PPO) Plan — A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. PPOs have network doctors, providers and hospitals but you can also use out-of-network providers, usually at a higher cost.

Medicare Private Fee-For-Service (PFFS) Plan — A Medicare Advantage Plan in which you may go to any Medicare-approved doctor, hospital and provider that accepts the plan's payment, terms and conditions and agrees to treat you — not all providers will. If you join a PFFS Plan that has a network, you can see any of the network providers who have agreed to always treat plan members. You will usually pay more to see out-of-network providers.

Medicare Special Needs Plan (SNP) — A Medicare Advantage Plan that has a benefit package designed for people with special health care needs. Examples of the specific groups served include people who have both Medicare and Medicaid, people who reside in nursing homes, and people who have certain chronic medical conditions.

Medicare Medical Savings Account (MSA) Plan — MSA Plans combine a high deductible health plan with a bank account. The plan deposits money from Medicare into the account. You can use it to pay your medical expenses until your deductible is met.

Medicare Cost Plan — In a Medicare Cost Plan, you can go to providers both in and out of network. If you get services outside of the plan's network, your Medicare-covered services will be paid for under Original Medicare but you will be responsible for Medicare coinsurance and deductibles.

Stand-alone Medicare Prescription Drug Plans (Part D)

Medicare Prescription Drug Plan (PDP) — A stand-alone drug plan that adds prescription drug coverage to Original Medicare, some Medicare Cost Plans, some Medicare Private Fee-For-Service Plans, and Medicare Medical Savings Account Plans.

Other Related Products

Medicare Supplement (Medigap) Products — Insurance plans that help pay some of the out-of-pocket costs not paid by Original Medicare (Parts A and B) such as deductibles and coinsurance amounts for Medicare approved services.

Dental/Vision/Hearing Products — Plans offering additional benefits for consumers who are looking to cover needs for dental, vision, or hearing. These plans are not affiliated or connected to Medicare.

Hospital Indemnity Products — Plans offering additional benefits; payable to consumers based upon their medical utilization; sometimes used to defray copays/coinsurance. These plans are not affiliated or connected to Medicare.

I get monthly benefits from: Social Security RRB

We will bill you directly until the Social Security Administration or Railroad Retirement Board approves the deduction. If you must pay a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA)

Social Security (SS) will send you a letter and ask you how you want to pay it:

- You can pay it from your SS check
- Medicare can bill you
- The Railroad Retirement Board (RRB) can bill you

Please DO NOT pay the plan the Part D-IRMAA at this time.

Need help with your prescription drug costs?

If you have a limited income, you may be able to get Extra Help with your prescription drug costs. If you qualify, Medicare could pay for 75% or more of your costs, including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, you won't have a coverage gap or late enrollment penalty. Many people are eligible for these savings and don't even know it. If you qualify for Extra Help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only part of your premium, we will bill you for the amount that Medicare doesn't cover.

- I can only be in one Medicare health plan or Prescription Drug plan at a time. If I'm a member of another Medicare health plan or Prescription Drug plan and I join this plan, I will lose the other plan.
- If I have prescription drug coverage now or if I get it from somewhere else later, I will tell the plan.
- I may have to pay a late enrollment penalty (LEP). This would only happen if I didn't sign up for and keep creditable prescription drug coverage when I first qualified for Medicare. "Creditable" means the coverage is as good as a Medicare prescription drug plan. If I need to pay an LEP, the plan will tell me.
- I understand that I am joining the plan for the entire calendar year. If I want to change plans, I'll need to do so during the Annual Enrollment Period for Medicare Advantage AND Medicare prescription drug coverage between October 15 and December 7. There may be special situations that would allow me to leave the plan at other times.
- This plan serves a specific service area. If I move out of the area that this plan serves, I need to notify the plan so I can disenroll and find a new plan in my new area. Once I am a member of this plan I have the right to appeal plan decisions about payment or services if I disagree.
- I understand that people with Medicare are generally not covered under Medicare while out of the country, except for limited coverage near the U.S. border.
- I understand that when my UnitedHealthcare coverage begins, I must get all of my medical from UnitedHealthcare. Benefits and services authorized by UnitedHealthcare and contained in my UnitedHealthcare "Evidence of Coverage" document (also known as a member contract or subscriber agreement) will be covered. **Without authorization, neither Medicare nor UnitedHealthcare will pay for benefits or services.**
- I understand that beginning on the date the plan coverage begins, using network services can cost less than using services out-of-network, except for emergency or urgently needed services or out-of-area dialysis services. If I happen to pay full price for any network or out-of-network services received, this plan provides refunds for all medically necessary covered benefits.
- If I currently have Medicare Supplement Insurance (Medigap), I will cancel it in writing. I, not my agent, must cancel. I will cancel after my new plan tells me I've been accepted into the plan.
- Release of Information:** By joining this Medicare Advantage Plan or Medicare Prescription Drug Plan, I acknowledge that the plan will release my information to Medicare and other plans as is necessary for treatment, payment, and health care operations. I also acknowledge that UnitedHealthcare will release my information, including my prescription drug event data, to Medicare, who may release it for research and other purposes allowed by Federal law that authorize the collection of this information (see Privacy Act Statement below).
- I give UnitedHealthcare permission to share my protected health information with organizations or person(s) for permissible purposes under applicable law as required to administer my health plan.
- I give consent for all entities under UnitedHealthcare and any outside vendor used by UnitedHealthcare to call the phone number(s) I have provided.
