¹Maintenance medication you take regularly for a chronic or long-term condition.

You are not required to use OptumRx to obtain a 90-day supply of your maintenance medications, but you may pay more out-of-pocket compared to using OptumRx, your plan's preferred mail service pharmacy.

If this is the first time you have ever ordered from OptumRx, prescription orders sent directly to OptumRx from your doctor must have your approval before OptumRx can send your medication. When you place your first order, OptumRx will contact you by phone to get your approval. If OptumRx is unable to reach you for approval on your first order, your prescription will not be sent to you.

Refunds may be available for prescriptions you did not approve and did not want. You may request a refund by calling OptumRx at 1-800-791-7658, TTY 711, 24 hours a day, 7 days a week.

New prescriptions should arrive within ten business days from the date the completed order is received by the mail service pharmacy. Completed refill orders should arrive in about seven business days. OptumRx will contact you if there will be an extended delay in the delivery of your medications.

OptumRx is an affiliate of UnitedHealthcare Insurance Company.
